

RENTERS:

What do I need to include with my form to claim a rent rebate?

If you are claiming a rent rebate, you must provide proof of the rent you paid. You will need a rent certificate (PA-1000 RC) for each place in which you resided during the claim year, signed by the landlord or the landlord's authorized agent.

If a landlord's signature cannot be obtained, you must complete and submit a notarized Rental Occupancy Affidavit.

If you are not able to provide a rent certificate or notarized statement, you may submit rent receipts. The landlord or his/her authorized agent must sign each rent receipt showing your name and rented address, the amount of the rent you paid and the time period for which the rent was paid. You must submit receipts for all months you claim. Please do not submit rent receipts if submitting rent certificates or notarized statements.

SUPPLEMENTAL PROPERTY TAX REBATES

Now that slots gaming is providing annual property tax relief to all Pennsylvania homeowners, supplemental property tax rebates are available to homeowners through the Property Tax/Rent Rebate program. These supplemental rebates are automatically calculated by Revenue and are awarded to qualifying low-income seniors who live in Philadelphia, Scranton, Pittsburgh and other parts of the state with particularly high tax burdens. Supplemental rebates may increase base rebates up to \$975.

When is the deadline to apply?

Applications must be postmarked by June 30. The PA-1000 booklet, used to apply for rebates, is available in late February at www.papropertytaxrelief.com or by calling, toll-free, 1-888-222-9190. Once you qualify for your first rebate, the department will automatically send you a claim form the next year. Rebate checks are mailed beginning July 1 each year.

Can I file a claim form for someone who recently died?

A decedent's personal representative may file a claim for an eligible claimant who died after Dec. 31 of the claim year. If the claimant died within the claim year, no claim may be filed.

If you are filing a claim for an eligible decedent, do not use the preprinted label that may have accompanied an application automatically mailed to the decedent. Depending on your relationship with the decedent, in addition to other required proof documents you may need to include the decedent's death certificate, a short certificate or the Decree of Distribution.

What documents can I use as proof of age?

The department will accept copies of birth certificates; Blue Cross 65 Special Cards; church baptismal records; hospital birth records; driver's licenses or PA Identification Cards; naturalization papers (if age is shown); military discharge papers (if age is shown); Medicare cards; PACE/PACENET cards; and passports. Please do not submit original documents.

What documents can I use as proof of income?

The department will accept as proof of income copies of federal or state income tax returns for the claim year and/or forms 1099-INT and 1099-R. If the address you provided the Social Security Administration was a PA address, you do not need to submit proof of your Social Security retirement and Supplemental Security benefits.

HOMEOWNERS:

What do I need to include with my form to claim a property tax rebate?

You need to provide proof the taxes were paid for the year claimed. If you cannot provide a receipted copy of your property tax bill, the department will accept a copy of the tax bill, along with a copy of both sides of the cancelled check used to pay your taxes.

If your name does not appear on the tax bills, proof of ownership must be submitted. Examples include a copy of the deed, trust, will or decree of distribution. If the address is not on the receipted bill or mortgage statement, you must also submit a letter from your tax collector or mortgage company verifying your home address.
